

Closed Contract

Ad Astra Sdn. Bhd., Contract Closure Notice

January 21, 2022

This letter provides formal notice that the work contracted with Society of Interpreter for the Deaf has been completed. Ad Astra Sdn. Bhd. has developed a Hand Sign Language Interpreter application that able to read and interpret basic hand sign language. Ahmad Syazani Aniq Bin Ahmad Khaizi, the project manager, has provided the following performance assessment for the cooperation provided: "We were quite grateful for the assistance provided by the Society of Interpreters for the Deaf. The staff was really professional and knowledgable, and they went out of their way to ensure that Ad Astra Sdn. Bhd. and I had good communication. As a result, the entire project went as expected. We were honored to collaborate with the Society of Interpreters for the Deaf, and we hope to do so again in the near future."
